

Announcement of Provincial Waterworks Authority

Subject : Intention on Management with Honesty, Integrity & Transparency

.....

To be in accordance with the intent of the Constitution of the Kingdom of Thailand B.E. 2560, Official Information Act B.E. 2540, Royal Decree on Criteria and Procedures of Good Governance B.E. 2546, National Strategy 20 years (B.E. 2561 - 2580), and National Anti-Corruption Strategy Phase 3 (B.E. 2560 - 2564). The government's anti-corruption It is one of the important policies and is regarded as an urgent agenda of the country.

Governor of Provincial Waterworks Authority (PWA) would like to affirm that I will manage and operate in accordance with good governance principles, with good faith, integrity and transparency. I will be a responsible person also act and practice with honour and dignity as a state's official. Moreover, I will persist in rightness and organization's values also develop the system of PWA by applying high technology in all processes in order to be a high-performance organization and step forward as an international organization. Facilitating to people in order to create a trust to public and our officers. I will cooperate with all sectors in order to encounter the corruption. Hence, I would like to ask for cooperation from all executives and PWA officers complying with the honest, integrating and transparent purposes ;

1. The management and implementation of good faith and transparency to ensure that the stakeholders have opportunities to participate in the operations and co-operation, and be able to access the operational data according to the various missions of PWA quickly and accurately, especially in the process of procurement.

2. Commitment to efficient management and operation also providing a high quality of service and experience to all water consumers by listening to feedback or complaints from the service recipients, stakeholders and general public. Moreover, taking responsibilities in the case where management or operation lead to environmental or social impacts.

3. Compliance with the rules, regulations and policies on Anti-corruption or bribery and to prevent fraud and misconduct, without any acts that are fraudulent to the obligations or policies, as well as not to use the position of duties to benefit yourself or companions either in direct or indirect ways.

4. Creating a cultural and good faith value in an organization with no resistance to corruption behavior. Be ashamed to corruption and also have the rightful consciousness. Stick to the virtue, good conduct and being sufficient. Understanding what is personal benefits or the shared benefit. Simultaneously, investigate and monitor fraud and if there is a fraudulent officer, information must be provided to the responsible authorities in order to consider the complaint.

5. Administering and performing in accordance with standards or operating guidelines based on the accuracy, equality and publicity to stakeholders and the general public. It focuses on the management and development of operations in accordance with the good governance. Operating with integrity, transparency and value, especially in the management and human resources development system, management system and the use of budget or property of the government also a fair of authorizing system.

6. Passing on the policies, rules and measures of enforcement against fraud prevention of the Government, independent organizations, and regulators through any communicating ways, providing a thorough and ongoing knowledge to our officers. Thus, they can learn and imply that substantial knowledge in order to create a sustainable and good faith culture in the organization.

This Declaration was made to all for acknowledgement.

Announced on 30 October B.E. 2561

(Mr. Nopparat Maythaveekulchai)
Governor
